

Northeast Sled Services LLC
2016 4x4 Diesel Workstock / 8750lbs

General Diesel truck specifications explained: This is a **STREET LEGAL** class. The truck must be presented at the pull in the same manner that is required for annual state inspection. **NO EXEPTIONS.** This means as stated in general rules, all of the factory original intended panels etc. must be in place. This includes but is not limited to; all lights in original position (i.e. headlights, tail lights...) Doors, hoods, fenders, grills, windshield etc... . Again, if you cannot pass annual inspection without an item, you cannot pull without that item. If any part of this is not clear or you are unsure please see track personnel **before** the pull starts.

May not pull in any other class unless announced the day of the pull.

This is a non-points class.
