

AGRICULTURE AND CONSERVATION DAY @ CALEDONIA COUNTY FAIR AUGUST 24, 2016

CCF is extending an invitation to all graded school students to attend an agricultural and conservation outing at the fairgrounds on Wednesday, August 24, 2016. CCF will have 12 stations [visiting sites] where students will be introduced to various animals common to agriculture such as horses, cattle, oxen; equipment used for past and current agricultural production, and the important role that wood, maple, food and water play in our lives. Each station stop will last approximately 12 minutes and then the group will move to the next presentation.

The program will last for a three-hour period from 9 to 12 AM. Participants will be divided into groups, with each group having a guide or host who will accompany their assigned groups to all presentations.

Students should plan to arrive at the fairgrounds by 8:40 AM so that groups may be formed prior to the nine AM starting time. **RIDES WILL NOT BE IN OPERATION AND VENDORS WILL NOT BE OPEN.** This is intended to be an educational experience offering a hands-on experience for the student; there is NO Charge for the participants. Students should plan to be picked up by 12:15 PM on the day of the event. Parents may join the presentations if desired. All participants are expected to leave the fairgrounds at the conclusion of the presentations.

No student may attend without a SIGNED PERMISSION SLIP.

This is a first-time experience for CCF to offer this to area students. We think this is a great opportunity for all to learn and participate and we hope to expand the event in future years.

For more information contact Dick Lawrence @ 802-626-5917 or richlaw@kingcon.com; please use the email address to forward the signed permission slip.

Below is a permission slip to be filled out and signed; this MUST accompany the participant the day of the event or emailed to the above address prior to August 20th. It is suggested you make a copy for your reference.
